

Parents' Evening in English for parents of gifted children

NetwerkHB has launched a parents' network for the parents of gifted children.

We are now going to host a parents' evening in **English**.

The intention is to provide a forum for English-speaking parents of gifted children to meet and share experiences. Furthermore we will provide information about giftedness in general as well as about the Dutch school system.

When: Thursday, 1 June 2023 at 19.00 hours

Where: Hermann Wesselink College

Startbaan 3
